

# February Newsletter 2023

Happy February everyone!

We are getting closer and closer to our recital! It is hard to believe it is coming in just a few months!

Tuition is now due for February. As we prepare for the upcoming recital, this month the remainder of your costumes was charged, as well as your dancers pom poms if you are in the poms class. Please make sure you are paying your full account balance when paying for tuition, so you cover costumes too. I cannot order costumes without them paid for as I do not have enough money to just order them and then wait for them to be paid for. If you cannot access your account online, please reach out to me so I can get you logged in!

In March, tuition will be due as normal, as well as our recital fee and your dancer's recital tights. In March, I will send out a form for parents to fill out if their child needs tights for recital. I have had several people mention to me they do not need new tights because they don't have any holes in their tights. If you are new to dance this year, then you will need tights for the dance recital so when the time comes, please say yes.

Our competition team is preparing for their upcoming competitions!

They will be performing at the end of this month and beginning of next month in Des Moines. At the end of March, we will be in Omaha. If you are able, I encourage you to come support our girls at these!

They are competing 4 small group routines, 6 duet/trios and 5 solos!

Celebration ~ February 24-26

Starz ~ March 3-5

Talent on Parade ~ March 31-April 2

Please look at the bottom of this page for the dates for the recital and picture dates.

I am working on getting the picture and rehearsal schedule out to you all. Your dancers' pictures will be on the same night as their class, just at different times. When I send out these schedules, please read through them carefully before you send me any questions. This helps keep the traffic down for me and I can answer your questions quicker.

As your dancers' costumes come in, I am having them try them on to ensure that the costume fits them properly. I will send home costumes with your dancer once all of them have come in. Please make sure these are staying on their hangers and not being messed with.
